

TE PAE O

WAIMIHIA

He Tipu is the exciting project which will restore the former Taupō Native Plant Nursery into a self-sufficient, regenerative eco-center.

This is a collective kaupapa of ngā hapū o Tauhara and will provide employment, training, and a maara kai for all our whānau.

The 27-hectare site requires a lot of repair and we are currently collecting expressions of interest from various Te Pae o Waimihia skilled labourers and professionals to join us in the development of the site.

There is no guarantee you will be employed by He Tipu, but it is our intent to first employ our own members where the skillset fits.

Please email your interest to He Akina (Trust Office) admin@heakina.co.nz with the following information:

- Your full name
- Your email address and phone number
- Your qualified skills
- Your other experiential skills
- Your availability over the next 6 months

You will then be contacted if relevant mahi arises over the course of the project.

Ngā mihi!
